

Dear Friend and Supporter,

I am writing to you on behalf of Eden II Programs, an autism agency serving Long Island, Brooklyn, and Staten Island families with school programs, services, residential facilities, and respite for children and adults living with autism. As a premier autism agency, we are devoted to providing the best quality of life for individuals with autism throughout their lifetimes.

I am excited to announce that the Eden II and Genesis Foundation will be holding the 14th Annual Blazing Trails for Autism 4 Mile Run/Walk on Sunday, October 2, 2022 in person and virtually. Blazing Trails for Autism 4 Mile Run is sanctioned by the USATF on a certified course. The race will be held at the William A Shine Great Neck South High School. This year, we are expecting over 500 runners and at least 100 more spectators. This event serves as an opportunity to bring people from the local community together for a day to raise funds and autism awareness. For more information on the run, please visit www.eden2.org/run.

You can make a valuable impact on our ability to reach our fundraising goals by contributing to this event. We are in need of snack items such as beverages, chips, energy bars and bagels as well as bib prizes such as memorabilia, sports items and gift cards.

Thank you in advance for making Blazing Trails for Autism a success!

Best Regards,
